## **ETP (Entrepreneurial Training Program) Sheboygan/Manitowoc Counties**

Whether your business is growing or brand-new, writing a business plan is critical to building a profitable venture, especially to attract financing from lenders or investors.

The Entrepreneurial Training Program (ETP) is eight efficient sessions to help you develop a plan for a thriving, profitable business. In this program, you will learn to identify customers, determine their needs and analyze that information into a feasible plan for starting or growing your business.
